## How Does Low-E Glass Work?

The microscopic coating on Low E glass reflects heat back to its source and filters damaging UV rays. This keeps your home comfortable year round.

## Casing Options

Optional 3-1/2" Flat Casing

Optional Exterior Colonial Casing  
with J-channel

Optional Bullnose Sill creates a  
decorative border and adds beauty

## Screen Options

Standard 1/2  
Screen

Optional Full  
Screen

**Optional Upgrade:** High-performance PVC coated spring steel frame is damage resistant, beautifully invisible and effortless to install. Simply hold the screen in your hands, bend the sides in, and fit FlexScreen in to your screen track.

# WHY VINYLMAX?

## MADE IN THE USA

Vinylmax is passionate about American jobs and the American economy. That is why we source the majority of our components from other American manufacturers and fabricate our windows in our Ohio and New York factories. When you buy a Vinylmax window, you can be sure you are not only getting American quality, but also supporting and sustaining local communities.

## QUALITY FIRST

In our facility, we utilize the most modern manufacturing methods and technology to produce the highest quality vinyl replacement windows. This results in the best value for your home.

## WARRANTY

To protect your investment and our reputation, we back our products with a Lifetime Limited Warranty so strong that it will exceed your expectations.

## THE VINYLMAX STORY

Founded in 1982 in Cincinnati, Ohio by the Doerger family and manufacturing a mere five windows per day, the Vinylmax legacy began to unfold. As one of the very first vinyl window manufacturers in the United States, Vinylmax embraced the philosophy that quality custom windows manufactured quickly would inspire loyalty in its customers.

Today the next generation of the Doerger family continues to embrace that philosophy in its Ohio and New York manufacturing facilities. Millions of American homes are more beautiful and more energy efficient, thanks to Vinylmax windows.
