PROUD MANUFACTURER OF

FLEXSCREEN®

HERE ARE THE TOP FOUR REASONS YOU NEED A FLEXSCREEN®!

1. Custom-made – Windows come in all different sizes and styles, and FlexScreen® is compatible with all types. Every FlexScreen® is custom made to the exact measurements of your specific window to ensure a perfect fit.

2. Effortless installation and removal – Installing a FlexScreen® is simple and requires no hardware. Effortless removal of FlexScreen® allows you to clean your windows and screens easily.

3. Nearly indestructible – A FlexScreen® frame is extremely strong and made with exterior grade PVC coated spring steel so that it is rust and scratch resistance. FlexScreen® is made to flex, bend, and twist without breaking.

4. Lifetime limited warranty – Just like with our windows, we stand behind our product and provide a lifetime limited warranty against manufacturer and product component defects. For more information, please scan the QR code.

FLEXSCREEN®

**THE WORLD'S FIRST AND ONLY
FLEXIBLE WINDOW SCREEN**

The high-performance PVC coated spring steel frame is damage resistant, beautifully invisible, and effortless to install. Simply hold the screen in your hands, squeeze the sides in, and fit the FlexScreen® into your screen tracks.

**TRADITIONAL
WINDOW SCREENS**

- Bend and damage easily
- Impede your view
- Frustrating installation & removal
- Flimsy mesh that easily rips & tears
- High cost of ownership

FLEXSCREEN®

- ✓ Nearly indestructible
- ✓ Full view
- ✓ No hardware
- ✓ Effortless installation & removal
- ✓ Cost-effective

FlexScreen® mesh provides superior visibility and a hydrophobic water-repellant coating that helps keep your screens springtime clean year-round. The mesh is vinyl welded to the frame creating an extreme bond that will stand the test of time.
