### **Pull. Release. Done.**

A simple pull-string operation makes unlocking your window quick and intuitive—no twisting, reaching, or extra effort required.

### **Automatically Secures**

Close the window and the lock engages on its own—giving you peace of mind without a second thought.

### **Designed for Real Life**

Whether you're reaching over a sink, behind furniture, or just want something easier to use, the Access Lock brings convenience right to your fingertips.
