

# vinylmax windows

## TrueCore™ Black

*Built Black From The Inside Out*

TrueCore™ Black redefines black vinyl windows with through-body vinyl color construction – built black from the inside out – paired with a high-performance exterior laminate that helps preserve rich color and resists fading from everyday sun exposure. The result is a modern look homeowners love – backed by performance you can build on.

Black Vinyl with  
Black Laminate Exterior

### Benefits of TrueCore™ Black

- **Modern Black-on-Black Design**  
Delivers a bold black interior and exterior look that complements today's popular architectural styles.
- **Extruded Black Vinyl Construction**  
Built with solid black energy-efficient vinyl, minimizing the visibility of wear and scratches.
- **Durable Exterior Finish**  
Laminated exterior reflects heat for improved UV stability and long-term color retention.
- **Reduced Warranty Risk**  
No painted surfaces to chip or peel - lower long-term maintenance concerns.
- **Seamless Integration with Existing Vinylmax Lines**  
Identical design and exterior laminate offers flexibility when mixing and matching windows throughout the home.
- **Standard Lead Time**  
Material is in stock and no outside processes allow windows to be manufactured on industry-leading lead times.

**TrueCore Black 5-26** Information accurate at time of printing.
